

**“Every young person has something to say to others. He or she has something to say to adults, something to say to priests, sisters, bishops and even the pope. All of us need to listen to you!” – Pope Francis**

**Join us for a facilitated discussion between young adults and the staff of the youth and young adult ministry office as we dive deeper into what is considered important to you as a Catholic young adult. Our ultimate goal is that these conversations will help us help your parishes better serve and meet the needs of Catholic young adults today.**
