# Supplement Your Income

## With a Catholic Foundation Charitable Gift Annuity And Support the Champions of Catholic Education Fund

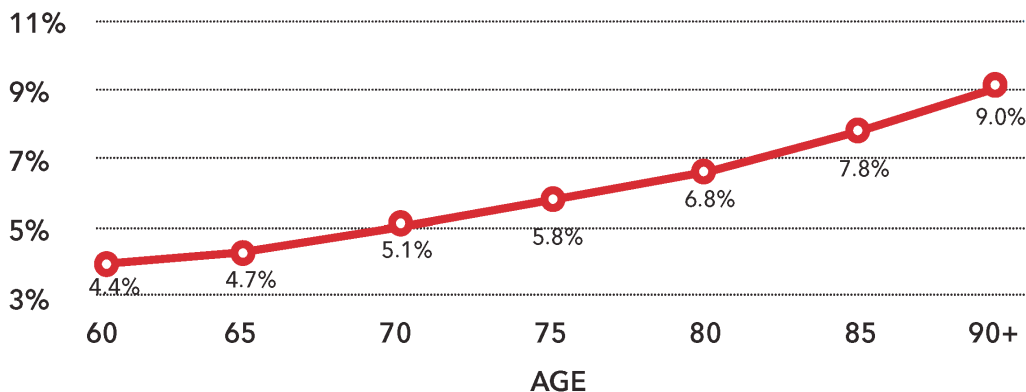

The Office of Catholic Schools together with the Catholic Foundation has initiated a program to benefit Catholic education. The program is named the Champions of Catholic Education, which will provide tuition support for families who are unable to afford tuition. The goal is to develop a \$40 MM endowment to provide \$2 MM per year for tuition support. Thus far, we have \$17 MM available and the goal is to produce an additional \$23 MM.

We would like to offer a Charitable Gift Annuity (CGA) to interested individuals. The CGA is a win-win for both the donor and the program. The donor gets a very attractive rate of return for the donation during his/her lifetime, and Champions receives the remainder at death. An example of how both will benefit follows.

### Four Things to Consider with a Gift Annuity

1. Attractive Rates
2. Partial Tax-Free Payments
3. Tax Deductions
4. Fixed, Regular Payments for Life

### Single-Life Gift Annuity Rates

\*Annuity rate and charitable deduction depend on your age at time of the gift.
